To Whom It May Concern:

The Forest City Volleyball Club is a not for profit volunteer sport organization whose mandate is to foster an interest and appreciation for volleyball at the grassroots level within London and surrounding area. We also aim to provide young athletes with the opportunity to develop their skills at the recreation and competitive levels.

We are a member in good standing of the Ontario Volleyball Association.

Our club has three streams, a Timbits Programme, ages 5 – 8, a Minor League Recreation Programme ages 10-14, and a Competitive Programme, ages 12-18 years. This year, we are introducing a pilot project called the Acorn House League which will be a recreation house league program for ages 12-14 years.

The following coaches and Board Members will be volunteers in our Competitive Programme the 2011/12 year:
